

# Funding Famli using the PE & Sport Premium

Famli is aligned with the eligibility criteria for PE and Sport Premium funding and allows schools to use the Famli data to evidence the use and impact of these funds in an approved manner.

## What is PE & Sport Premium?

The primary PE and sport premium was introduced in March 2013 to improve the provision of physical education and school sport in primary schools across England. The funding is allocated directly to primary schools and is ring-fenced. This means it may only be spent on improving the provision of PE and sport in schools.

**Sally-Ann, Primary School Headteacher** - “As a school, we have an increasing focus on wellness and having Famli as one of our wellness tools is really valuable.”

## Accountability & Reporting

Ofsted assesses how primary schools use the Primary PE and Sport Premium. They measure its impact on pupil outcomes, and how effectively governors hold school leaders to account for this.

Famli is a tool for promoting physical activity and measuring the impact not just within school but at home as well, providing your school with the empirical data to support any evidence based feedback regarding the use of the Sport Premium funding.
