

Funding Famli using Pupil Premium

Famli is aligned with the eligibility criteria for Pupil Premium funding and allows schools to use the Famli data to evidence the use and impact of these funds in an approved manner.

What is Pupil Premium?

The aim of Pupil Premium funding is to improve outcomes for all socio-economically disadvantaged pupils. The Pupil Premium is paid for every eligible pupil in every eligible school. This means that schools can target their resources to the individual needs of their pupils, so they can flourish.

Silvia Vidal, Deputy Headteacher - “Our SEN pupils love Famli and keep asking to do more. The portal is a simple and easy way to monitor engagement and progress, as well as provide impact evidencing.”

Guide to using Pupil Premium

The Education Endowment Foundation (EEF) have developed a great guide on how to plan, implement, monitor, and sustain an effective strategy.

This simple 5 point plan will help you make the best use of your Pupil Premium Funding.

Pupil Premium Myth - “The Pupil Premium has to be spent on interventions.”

While interventions may well be one part of an effective Pupil Premium strategy, they are likely to be most effective when used alongside efforts to improve whole-class wellbeing and teaching

Famli is backed by Innovate UK and is ICO data safe.

How does Famli address the eligibility criteria?

We've created this checklist from the EEF 5 Point Guide to illustrate how Famli supports Wider Strategies within Pupil Premium.

Funding Criteria	Famli	How does Famli deliver this?
Step 1 Diagnose your pupils' needs	✓	Famli's platform tracks family engagement in health activities, identifying areas for improvement and additional support needs.
Step 2 Use strong evidence to support your strategy	✓	Famli gather first-hand evidence from the children and families themselves to provide you with the most accurate and tailored data.
Step 3 Develop your strategy	✓	Famli offers a wide range of activities for easily integrating wellbeing into existing programs.
Step 4 Implement your strategy	✓	Famli provides tools and resources for successful implementation, fostering engagement across the whole school community.
Step 5 Monitor and evaluate your strategy	✓	Famli offers real-time progress tracking and reporting, enabling you to evaluate the impact, and make informed decisions for future interventions.
